MEET THE GIRL  
WHO INSPIRED  
MILLIONS WITH  
HER LOVE

At 23, Eva was waiting on the transplant list for new lungs. Living with the fatal genetic disease cystic fibrosis was a constant reminder that she needed to make every breath count. Eva's future depended entirely on the kindness of strangers, who could give her as second chance at life, by being an organ donor.

**IN EDMONTON  
ONE NIGHT ONLY!**

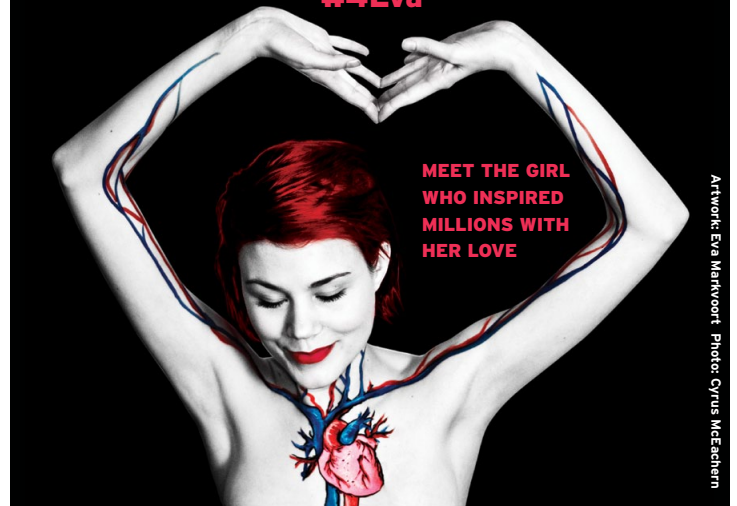

**Sunday May 27  
4:30PM  
Metro Cinema  
(AT THE GARNEAU)**
